S I R:

Applicant hereby respectfully petitions the Director to restart the period for response to the Office Action, dated October 7, 2008.

Applicant requests that the attached documentation be kept confidential.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment to Deposit Account No. 06-0502.

STATEMENT OF FACTS:

An Office Action was issued with a mailing date of October 7, 2008. The undersigned states that the Office Action was never received at the correspondence address of record and that a search of the records including the file jacket and the application contents indicates that the Office Action was not received.

The following system has been established in the Office of the undersigned for recording an Office Action. When an Office Action is received at the correspondence address of record, a check list (blank copy enclosed, marked "A") together with the involved file jacket is attached to the Office Action. The secretary fills out the check list, item by item, and signs and dates the check list, when finished.

Item 13) of the check list relates to a calendar "Wiedervorlage" which involves a reminder system to retrieve a file periodically. A calendar sheet of this "Wiedervorlage" calendar, dated March 2009 is further submitted (Appendix marked "B") to show the entry on March 20, 2009 of "DANZ-4" which is the practitioner's docket number for the above-identified patent application.

In view of the March 20, 2009 entry, the file jacket was retrieved and the PAIR system has been checked. At that time, the issuance of the Office Action has been discovered.

Applicant submits herewith the following documents as further proof of non-receipt of the Office Action:

- 1) Copy of the master docket report (Appendix marked "C") showing all replies docketed for the date of January 7, 2009, when a response was due to the Office Action.
- 2) Excerpt of practitioner's "Incoming Mail Log" (Appendix marked "D") for the time period beginning October 6, 2008 to October 16, 2008.
- 3) Copy of record card (Appendix marked "E") in database before discovery of the Office Action.
- 4) Copy of record card (Appendix marked "F") in database after discovery of the Office Action.

Docket No: DANZ-4
Appl. No: 10/597,958

The undersigned states that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Restart of the period for response to the Office Action, dated October 7, 2008 is respectfully requested.

Respectfully submitted,

By:
